

Art Exhibition

Patti Munro

Exhibition opens
April 1, 2015
and closes
April 30, 2015

Munro works in acrylic, oil, pen and ink, and will add tissue paper, found objects, modeling compound, vintage scarves, jewelry, toys and other objects to make her characters come to life on canvas.

Reading to her daughter, she was introduced to the magical world of illustrations. Those hours spent reading and drawing with her daughter have become the inspiration for the work she does now.
