## **Blackberry Artists' Society**

### **July 2 – July 31**

The Blackberry Artist's Society (BAS) is a co-op of local artists, with a membership that varies from 20 to 30 members throughout the year. Members of the society work in a wide range of mediums, and as members complete new pieces they bring them in 'fresh from the studio' and offer them for sale through the Blackberry Gift Shop, located within the Port Moody Arts Centre at 2425 St. Johns Street.
